

## 3" Eagle Single Stroke Tube Perforating Machine

### Eagle Single Stroke Tube Perforating Machine

- Model: Tube Perforator
- Tube diameter:
  - Maximum: 3"
  - Minimum: 1-1/2"
- Tube length:
  - Maximum: 24"
  - Minimum: 6"
- Tube indexing
- Pierces 2 opposed longitudinal rows at a time
- 2-Hand cycle start
- 2-Axis CNC-Servo drive positioning for correct tube position and radial spacing of holes

- **Stock Number:** AM10594
- **Brand:** Eagle
- **Capacity:** 3 inches

- Accepts quick change Eagle tooling for tube diameter and hole pattern
- Cam operated piercing stroke offers positive stripping and unique slug ejection
- Light curtains
