

3/4" Addison McKee #DB19ST CNC Horizontal Tube Bender

3/4" Addison McKee #DB19ST CNC Horizontal Tube Bender

- Multi-stack capability
- Multi-radius bending via two-position bed shift system
- Maximum bending capacity: 0.75"
- Maximum degree of bend: 180 degrees + springback
- Maximum tube length over mandrel: 80"
- Bending Rotation: left-hand (counter-clockwise)
- Databend CNC control system and touchscreen operator interface

- **Stock Number:** AM16765
- **Brand:** Addison McKee
- **Capacity:** 0.7500 inches
