

3" Addison #DB76ST3 CNC Multi-Radius Horizontal Tube Bender

Refurbished 3" Addison #DB76ST3 CNC Multi-Radius Horizontal Tube Bender (Photos shown are stock images - AM10931)

- Maximum tube diameter: 3"
- Maximum bend centerline radius: 12"
- Maximum tube length over mandrel: 162"
- Triple radius (3-Stack) bending via carriage
- Mandrel shift
- Bending rotation: right-hand (clockwise)
- BendPro G2V2 touch screen CNC control system
- Hydraulic pressure die assist
- Mandrel extractor
- Direct acting pressure die
- Drop away type clamp die holder

- **Stock Number:** AM#DB76ST3
- **Brand:** Addison McKee
- **Capacity:** 3 inches
