

1" Pines #SB25 CNC Mandrel Tube Bender

Refurbished 1" Pines #SB25 CNC Mandrel Tube Bender (Photos shown are stock images)

- Maximum tube diameter: 1"

- Stock Number: AMPINESSB25
- Brand: Pines
- Capacity: 1 inches

- Maximum bend radius: 180° + springback
- Maximum bend centerline radius: 4"
- Maximum length over mandrel: 102"
- Maximum length over mandrel: 72" end chucked
- Bend rotation: right-hand (clockwise)
- Pines TS-2000 CNC bender control system with screen operator interface and program storage – Windows based
- Two-hand cycle start pedestal
- Two-stack bed shift for multiple radius bending
- Mandrel extractor
- Direct acting pressure die
- Drop away type clamp die
- Pneumatic collet closer
