

2" Eaton Leonard #VB200HP RH CNC Tube Bender

2" Eaton Leonard #VB200HP 5-Axis CNC
horizontal mandrel type tube bending machine

• Stock Number:
AM18079

- Maximum tube diameter: 2" OD x 0.125" WT
- Maximum bend radius: 180 degrees + springback
- Maximum bend centerline radius: 8"
- Maximum tube length over mandrel: 154"
- Bending rotation: right-hand (clockwise)
- Premier CNC control system
- Multi-stack bending capacity
- Hydraulic mandrel extractor
- Hydraulic pressure die assist
- Direct acting pressure die assist
- Drop away type clamp die
- Pneumatic collet closer
- Pneumatic tube support
- Tube loader
- Automatic lubrication system

- **Brand:** Eaton Leonard
- **Capacity:** 2 inches
