

## 8-5/8" Schwarze-Robitec #WE220 3-Axis CNC Tube Bender

### 8-5/8" Schwarze-Robitec #WE220 3-Axis CNC Tube Bender

- Maximum tube diameter: 8.625" OD x 0.280" wall (219.1mm x 7.1mm)
- Maximum tube length over mandrel: 236" or 6,000 mm (approx)
- Maximum centerline radius mandrel bending: 48" (approx)
- Bending rotation: right-hand (clockwise)
- Operator control station - updated
- Heavy-duty carriage for pipe positioning between bends
- Hydraulic mandrel extractor
- Hydraulic B-axis shift
- Wiper die holder
- Hydraulic pressure die assist
- Hydraulic direct acting pressure die
- Hydraulic collet closer
- Huge assortment of tooling for pipe ODs

- **Stock Number:** AM17371
- **Brand:** Schwarze Wirtz Robitec
- **Capacity:** 8.6250 inches
