

3" Addison McKee #DB70ST4 CNC Tube Bender

3" Addison McKee #DB70ST4 CNC Tube Bender

• Stock Number:
AM20493

- Addison McKee 3-Axis CNC, 4-stack, high production horizontal tube bending machine
- Model: DB76 / DB70ST4

- **Brand:** Addison McKee
- **Capacity:** 3 inches

Capacities:

- Maximum tube diameter: 3" (76mm) OD (derated to 70mm x 4mm wall on stacks)
- Maximum bend radius: 180° + springback
- Maximum bend centerline radius: 12" (300mm)
- Bend rotation: Right-hand (Clockwise)

Includes:

- ADDISON CNC control system
- Electric servo driven carriage for positioning of tube
- Drop-away clamp die
- Direct acting pressure die
- Hydraulic pressure die assist
- Pneumatic tube support
- Hydraulic oil heat exchanger
