

## 3" Addison McKee #DB75ESRB CNC All Electric Boost Type Tube Bender

3" Addison McKee #DB75ESRB CNC All Electric Boost Type Tube Bender

• Stock Number:  
AM20601

- 3" Addison McKee DB75ESRB all electric tube bending machine with boost capacity & servo electric bend shift
- Model: DB75ESRB

- **Brand:** Addison McKee
- **Capacity:** 3 inches

#### Capacities:

- Maximum tube diameter: 3" (76mm) OD
- Maximum bend radius: 180° + springback
- Maximum bend centerline radius: 10"
- Bending rotation: left hand (counter clockwise)
- Boost bend capability
- Muti-Radius capabilities

#### Includes:

- Siemens Simatic PC F145 control system with remove pendant
- Electric servo-driven bend head
- Electric servo-driven mandrel extractor
- Electric pressure die assist
- Electric direct acting pressure die
- Electric clamp die - drop away type
