

Sinico Sin-O-Matic TOP2000 Twin Spindle CNC Cutting Machine

Specifications:

- Maximum Capacity: 65 mm
- Minimum Capacity: 12 mm
- Maximum cut length: 340 mm
- Minimum cut length: 15 mm
- Accuracy of cut: +/- 0.025"
- Raw material infeed length: 25' (approx.)
- Includes:
 - Multi-Axis CNC Controls
 - Servo controlled in-feed system
 - Multi-Station tube handler for double or single end-finishing

- **Stock Number:**
AM20999
- **Capacity:** 65 mm

- Integrated Chamfering/Deburring heads
- Integrated drilling head
- Multi-function live spindle heads for secondary operations
- Bar/Tube Debundler/Material in feed rack
- Conveyor outfeed rack
- Programmable batch cut lengths
