

## 1.75" Burr Oak #STCOS M6 Tube Cutoff

### 1.75" Burr Oak #STCOS M6 Tube Cutoff

- Burr Oak CNC high production/high precision tube cutoff machine-New in 2013
- Model: STCOS M6

#### Capacities:

- Maximum tube diameter: 1.75" (44 mm) OD
- Minimum tube diameter: .1875" (4.76 mm) OD
- Maximum tube wall thickness: .060"
- Material: Copper, aluminum, brass, steel, stainless steel, polypro coated
- Cuts up to 36" lengths in one hitch

#### Includes:

- Machine mounted operator touchscreen interface controls
- Belt driven linear actuator
- Hitch feed
- Electric servo motor
- Assortment of tooling

- **Stock Number:**  
AM22104
- **Brand:** Other
- **Capacity:** 1.7500 inches
