

1.25" Miic MC-30 CNC Tube Bender

1.25" Miic MC-30 CNC Tube Bender

- MIIC 3-Axis CNC 2-Stack horizontal mandrel type tube bending machine
- Model: MC-30

Capacities:

- Maximum tube diameter: 1.25" OD
- Maximum bending degree: 180° + springback
- Multi-Radius bending – double stack tooling capabilities using carriage and mandrel shift system
- Bending Rotation: Right-Hand (Clockwise)

Includes:

- **Stock Number:** AM22206
- **Brand:** Miic
- **Capacity:** 1.2500 inches

- Programmable CNC Control system
- Remote pedestal control
- Hydraulic mandrel extractor
- Hydraulic pressure die assist
- Direct acting pressure die
- Drop away clamp die holder
- Wiper-Die holder
